Rusty,

To a good kid after all I have to
say something nice about my brother
Be good and come + see us
some time but you can't stay all
night HA. Take good care off this

old school after I'm gone
And a good letter I'll be next

don't! This is what I

lecture on any thing
it's just because you
or nice guy. I'll be
you. Stay good and
have fun!

Our high school years light
our paths as we climb toward
our respective goals. Without
a light to guide us, we would
stumble in darkness and doubt.
Our gains from these years are
beyond measurement, but not
beyond imagination.

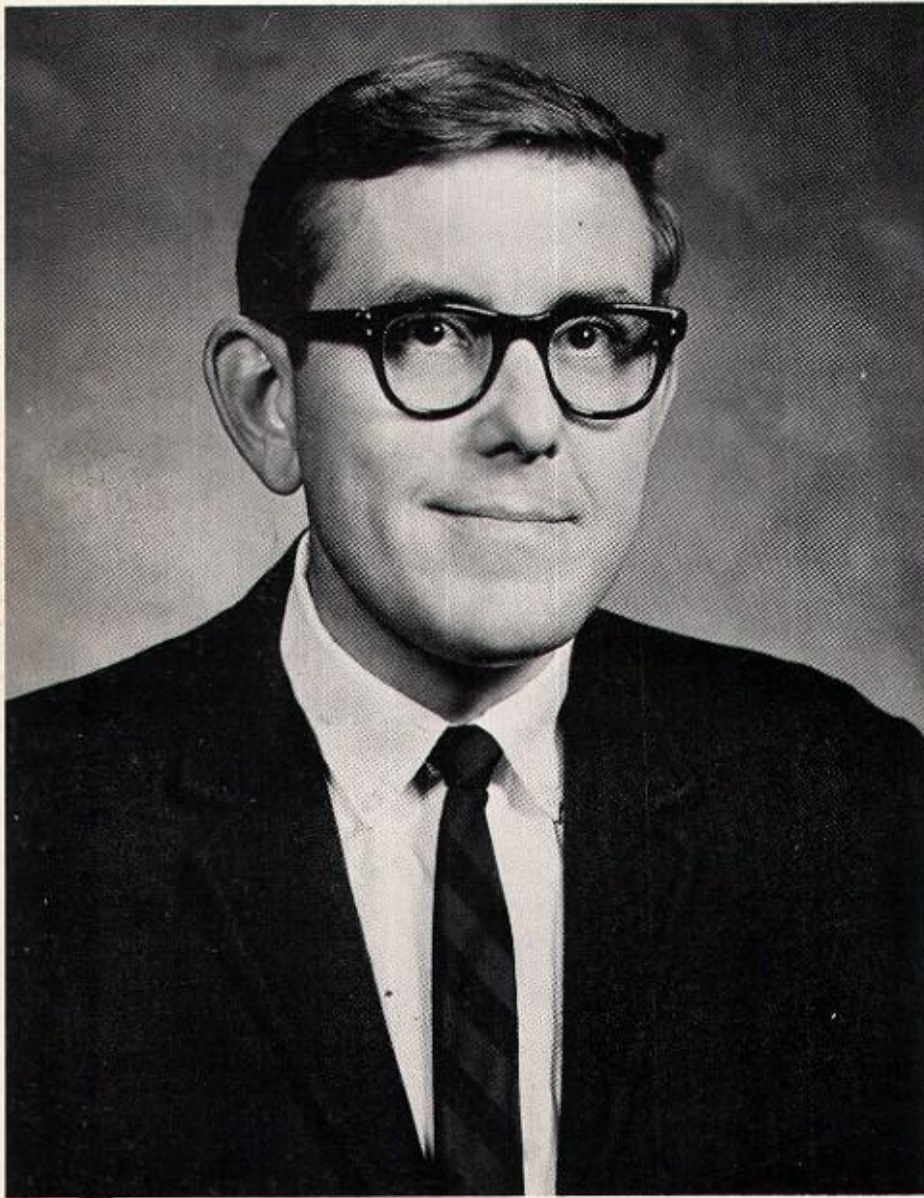

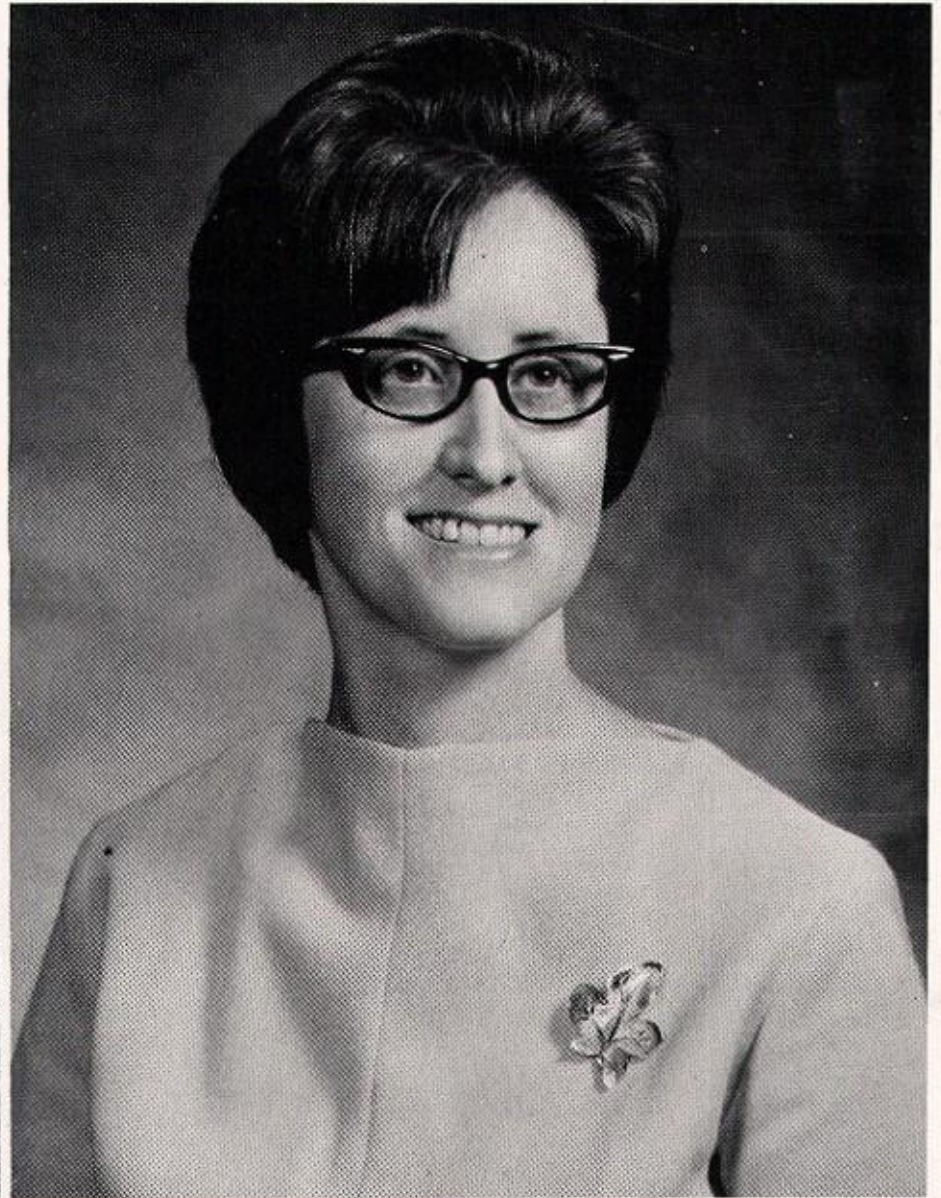

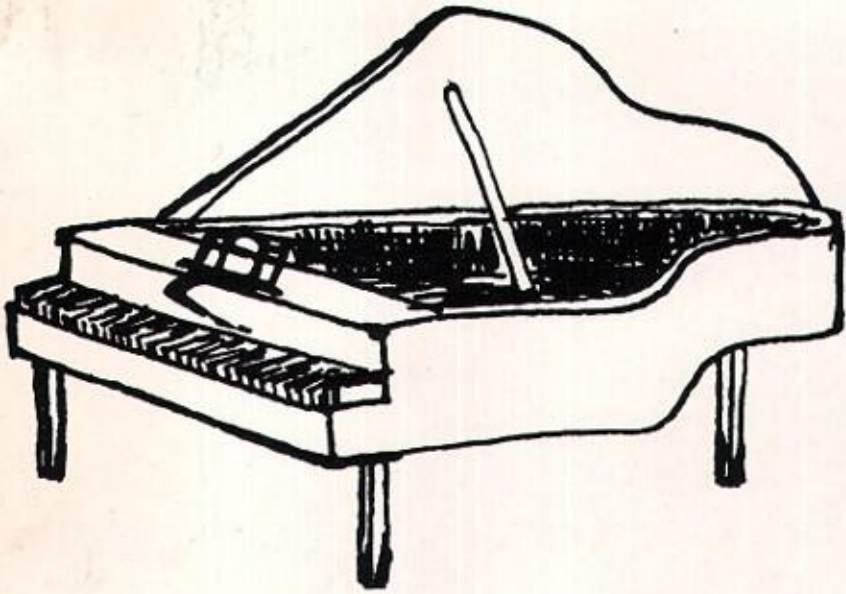

I believe for every drop of rain
that falls a flower grows.

I believe that somewhere in the
darkest night a candle glows ...

Dedication

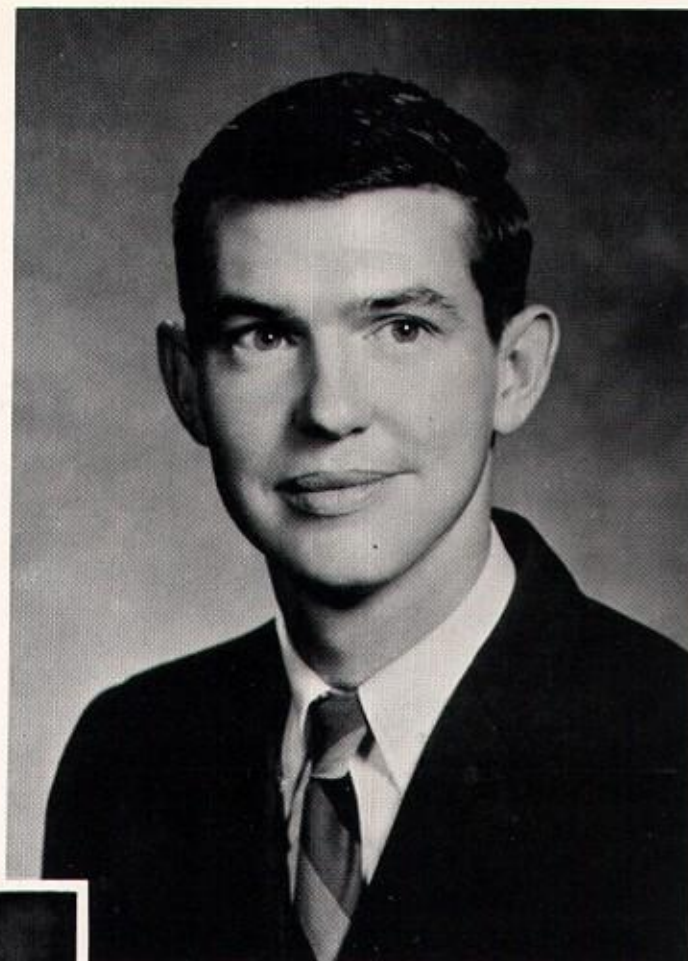

We, the Senior Class, take great pride in dedicating the
1970 SPARTAN to Mr. and Mrs. Ronald Martin. Their
influence upon our lives will always remain with us.

Chapter 3 THE BEGINNINGS OF GOVERNMENT IN THE UNITED STATES

The roots of American government reach deep into the past. Our system of government did not suddenly spring into being as at the wave of some political magician's wand. Nor was it pulled out of thin air by the

The Colonial Period

Our English Heritage. The French, Spanish, Dutch, Norwegians, and other Europeans settled in parts of what was to become the United States. But it was the English who came in the largest numbers. And it was the English who came to control the thirteen colonies that stretched for 1500 miles along the Atlantic seaboard.

These early pioneers who cleared the wilderness and fought off the Indians had to hack out their own economic future in the New World. But they came here in search of greater freedom and their brought much of their political ideas with them, ideas that they brought with them the knowledge of a governmental system that had been working and developing in England for hundreds of years.

Founding Fathers at Philadelphia in the summer of 1787. Before it had developed through long centuries of experience, tradition, thought, and deed. We shall now review the high points of these beginnings.

They brought with them the knowledge of a governmental system that had been working and developing in England for hundreds of years. These political ideas, in considerable degree, were the result of the struggle of Englishmen for freedom and self-government in the British Isles. That struggle is the story of the development of the English system of government. It is the story of the development of the English system of government. It is the story of the development of the English system of government.

SETTLERS AT WORK

Early Americans had to live together in harmony, or they would not survive. This was called "government in order to live," the beginning of our government today.

of which are to be found today — county, township, jury, sheriff, coroner, and justice of the peace, for example. And all of these were well known in England long before the first Englishman ever heard of America.

(1) The Two Concepts of Limited Government and Civil Liberties. They brought with them, too, the twin ideas of limited government and civil liberties. That is, that government is limited in what it may do, and, especially, that it is limited in the sense

that each man has certain rights that government cannot injure or take away. These great principles of freedom were proclaimed in such historic English documents as the Magna Carta in 1215, the Petition of Right in 1628, and the Bill of Rights and the Act of Toleration of 1689.

(2) The Concept of Representative Government. A third vitally important concept brought to America in English ships was that of representative government. For centuries there had been developing in England the

NORTH GREENE HIGH SCHOOL

Rusty,
Best of luck to a real swell friend. Too bad we
weren't in any classes together this year. Maybe

ACTIVITIES

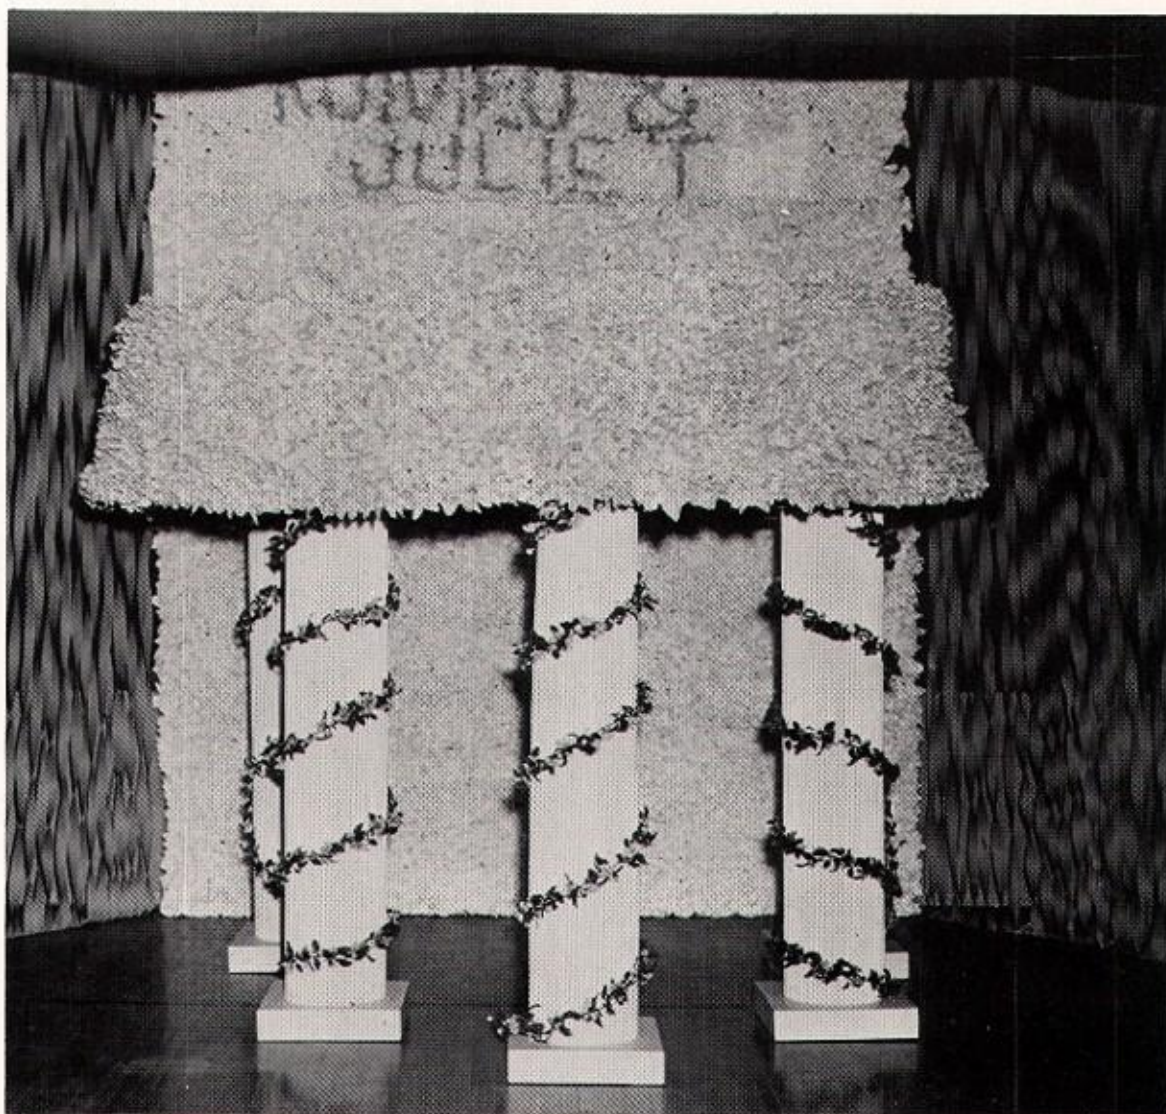

we will be next year. Have fun this summer.
Friends,
Sheryl

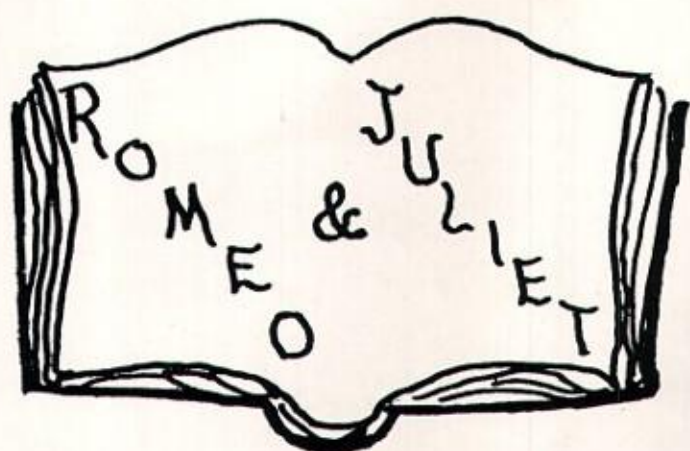

Rusty,

Best of luck the next 3- years at N.G.
Remember all the fun we've had
on the bleachers. Don't forget to all remember
me! Have fun with all the girls during
your high school years. Have fun but
be good. We make sure I get out
With you sometime? Well there's about
all I can say. **May 1969**
Good luck!

P.S.
See you this
summer!!

Always,
Kathy
